

"I had it first."

"I was talking first."

"Don't push."

"I'm not pushing. Megan pushed me."

"I can't get in line."

"No throwing stuff."

"I didn't throw it."

"It's upside down, dummy."

"You wanna see something?"

"How can you whistle?"

"What's this supposed to be?"

"That's an eight, okay?"

"You didn't make that 2 like that one...."

"Let's measure our thumbs."

"Pretend you went home and we came over to your house
and knocked...."

"What's the matter?"

"Rachel's just pretending that she's crying...."

"I've been coloring for 200 weeks."

"I like it, but I don't like it as much as I like blue."

"I hate to solve this problem, but you need a different pink...."

"Look what I got. I got a little brownie. I asked my mom
for a brownie, and I got it. Thank you, mommy."

"Are you finished eating now?"

"Yes, my tummy's going to explode in 10 seconds."

"I'm going to dip my head into my food...."

"Charlotte, the boys have my pony...."

"Colin, you don't have to pull things away from all people."

"Danielle, sometimes I want to play with people alone."

"Get out of our blocks. We got 'em first."

"They had it for five minutes. Then I jumped 'em off.
Then it was my turn."

"If you get up to there you win."

"You are a cheater, Matthew. You want to win every game."

"Maybe they like you."

"They don't. They just want to ask 'Who's winning? Who's
winning? Who's winning? Who's winning?' over and over
and over again."

"I know he has the Old Maid card. That's the loser card."

"It's dumb and rotten. I wish I could kick it to pieces."

"Can I throw a boulder at it?"

"No... in 5 minutes you can."

"You're the one who dumped it out."

"They're trying to clean it up. That's why the teachers
going wild."

"It used to be an igloo... now it's this... and now we're
going to make an avalanche with it."

"By pressing the little phone thing it makes the people
on the other end go away."

"This is a stapler. If you put your finger here and staple
it, you'll get really hurt."

"I make the rules, cuz I'm the rulemaker."

"You're not the rulemaker of everything..."

"Yeah, you're not the rulemaker of him or me."

"How would she make you sorry?"

"By spanking your butt."

"She keeps telling me not to do something. That's bossing around."

"No it's not."

"Who's the boss here... I need some help."

"Do you know how to play the piano?"

"It's easy, you just press the buttons."

"The boys make everything they color black...everything in the whole wide world is not black."

Here's a picture Rachel made with 2 girls and flowers and the sun-- and you guys draw battleships. I just want to know one thing: why do you guys draw battleships, and the girls draw flowers and things?"

"We like battleships, and girls don't."

"I got a Dad, but I don't know him, and he doesn't know me... now don't forget that, okay?... so you won't be asking me so much."

"That poor little baby girl got runned over by the ocean... poor little girl, she's too small (referring to a picture she had just drawn)."

"I like it better at home, cuz I can pet my rabbit."

"Why don't you bring it here?"

"Cuz it's a real rabbit... my Mom might say no to bringing the rabbit, cuz it's a real rabbit. It's not made out of beans or cotton. He's made out of blood and bones and intestines."

"I can't find my heart...."

"I think it's on your butt."

"They were babies (the gerbils), and now they have babies... it doesn't take them long to grow up."

"And it takes wicked long for us to grow up."

"Would you want to grow up faster?"

"Yes."

"Why?"

"Because I'm gonna be rich when I grow up."

"I want you to think about whose birthday this cake was made for, and appreciate having a good guy like Ben around here...."

"He's done a lot of bad things though...."

"Katie, you know what you are... a good girl."

"Way down yonder in the pumpkin patch..."

("They like that. We sing that around Halloween.")

"We still like it, no matter whether it's Halloween or not...."

"Me and Danielle were playing

Then Danielle's mother called my mother

Then my mother had 1-2-3-4-5-6-7 kids, and she
could hardly stand it

Then they lived happily ever after...."

(Megan's lyrics while Danielle was playing piano)

"I can, right?"

"You can, but it's not nice."

"Sometimes you can make a 'd' like this... you wanna see?"

"Mine is together, so make yours together..."

"It doesn't have to be together."

"That doesn't matter."

"Oh..."

"That's imaginary land... when nothing was born, not even sky."

"That's the bridge, and you gotta pretend the water goes
under there."

"You got a soft face..."

"I got it a hundred years ago."

"My great great great great grandma gave it to me when
I was just in my Mom's tummy."

"That's the mother of every pony."

"They can go here, and go la-la-la, and then go back down...."

"I used to have a fly in my house, but I wapped it out."

"I live in a different Maine than you."

"She lives in Durham, and I live in Durham, but it's not
the same Durham."

"I pick from Danielle, she picks from you, then you pick from me... and then everyone picks from everyone-- sound fair?"

"It's not something like work. It's something else."

"I'm gonna do one more jump, then it will be over."

"What a nice hug!"

"The next one's gonna be one inch bigger than the one I just had...."

"That's how strong I am... I can even break the whole day care."
